

Keyham Police Team - working for you

It's our pleasure to be able to deliver such a focussed police service to the wonderful communities of Keyham & Ford - and our team is out there working with you 7 days a week.

Prior to the awful events of August 12 last year, neither Keyham or Ford were suffering high rates of crime and disorder and the good news is, it still isn't - in fact crime continues to fall.

Acquisitive crimes like theft and burglary in this area are extremely low and our data tells us YOU are very unlikely to become a victim of such a crime in these neighbourhoods.

So we thought we would show you some of the data we know about Keyham & Ford and overleaf you will find key statistics which show just how safe a community you live in.
